

22 South, Range 5 West, S. L. M.,

(b) That the other one-half of the said Dry Creek be divided as follows between the respective parties, entitled to the use of its waters;

That when the waters of said creek, including the waters belonging to Meadow Irrigation Company are divided on regular eight (8) day turns, then and in that event --

Meadow Irrigation Company shall be entitled to all of said waters for a period of Ninety-six (96) hours or one-half of said stream as set forth in paragraph (a) herein above, and --

From the said regular 8 day turn above mentioned,

CLAUDE HUFF shall be entitled to the use of said stream for a period of twenty-eight (28) hours and seven and one-half ( $7\frac{1}{2}$ ) minutes, and,

CHARLES SWALLOW shall be entitled to the use of said stream for a period of twenty (20) hours, and,

MACK PENNEY shall be entitled to the use of said stream for a period of twenty-eight (28) hours and seven and one-half ( $7\frac{1}{2}$ ) minutes, and,

The Estate of OSCAR ANDERSON, deceased, shall be entitled to the use of said stream for a period of One (1) hour, and,

LEFFEL FISHER shall be entitled to the use of said stream for a period of Eighteen (18) hours and Forty-five (45) minutes.

(c) That when said stream is divided for practical reasons on other than the aforesaid 8 day turns, the respective owners of water thereunder shall be entitled to their similar respective proportions thereof.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that Edward B. Bushnell and his successors in interest are entitled to the use of .011 c.f.s. of the waters of Spring Seep from January 1 to December 31 in each and every year, with priority date as of February 2, 1916, under certificate of appropriation issued by the State Engineer of the State of Utah, No. 1038, for stock watering purposes. Said water to be diverted from Spring Seep at a point North 48 degrees 30 minutes West 9816 feet from the Southeast corner of Section 36, Township 21 South, Range 7 West, into a  $2\frac{1}{2}$  inch pipe line and used for stock watering purposes of 4100 head of sheep and 250 head of horses and cattle.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that the Corn Creek Irrigation Company, Inc., is entitled to the use of 89 c.f.s. of the waters of Corn Creek, with priority date as of 1880. Said water to be diverted from Corn Creek at each, either or both of the following described points: (1) 1580 feet West and 1370 feet South of the Northeast corner of Section 28, Township 22 South, Range 5 West, into the E. & W. Field Ditch; (2) 600 feet West and 1430 feet South of said corner into the Indian Ditch and used to irrigate 3550.9 acres of land described as follows: 134.1 acres in Section 5, 463.5 acres in Section 6, 153.7 acres in Section 7, 268.5 acres in Section 8, 151.1 acres in Section 10, 376.6 acres in Section 17, 413.8 acres in Section 18, 281.4
